Mr. H. C. Sauerwein - Chief On-Hand Clerk  
Receiving Department  
Railway Express Co.  
2nd & H Streets, N. E.  
Washington, D. C.

Dear Sir:

This is to confirm your recent conversation with officers of this Agency concerning the disposition of certain Agency property held by your company in the name of [REDACTED]

STATINTL

It is our understanding that said property consists of 36 packages weighing 691 pounds; that storage charges amounting to \$564.00 are now due; and that your office requires a letter from a responsible official of this Agency absolving the Railway Express Agency of any claims for future liability before release may be effected.

STATINTL

Since [REDACTED] has subsequently resigned from the Agency, this letter will serve to advise you that the Central Intelligence Agency accepts the above described property in its present condition and agrees to release the Railway Express Agency from all liability with respect thereto.

Yours very truly,

/s/

[REDACTED]  
Acting Director of Logistics
